

Life Membership Application

Thank you for applying for Life Membership. With Life Membership, you will no longer be required to pay membership dues, but would be able to vote in College elections. Please complete the application below to determine which criteria apply to you. Please note: Life Membership rates and benefits go into effect during the next dues cycle after the granting of this status.

Life Membership status is available to any ACOEP member who meets one or more of the following criteria:

- a. A documented disability, which precludes him or her from the practice of emergency medicine.
- b. A current member who has 25 years of continuous membership in ACOEP.
- c. A current Retired member with a minimum of 20 years of continuous membership prior to being designated as a Retired member and a minimum of 5 years of Retired Membership status.
- d. A current member with a minimum of 10 years of continuous membership and is 65 years or older who is officially retired from the practice of emergency medicine.
